

# Standard Education

## Ardoq Services Offering

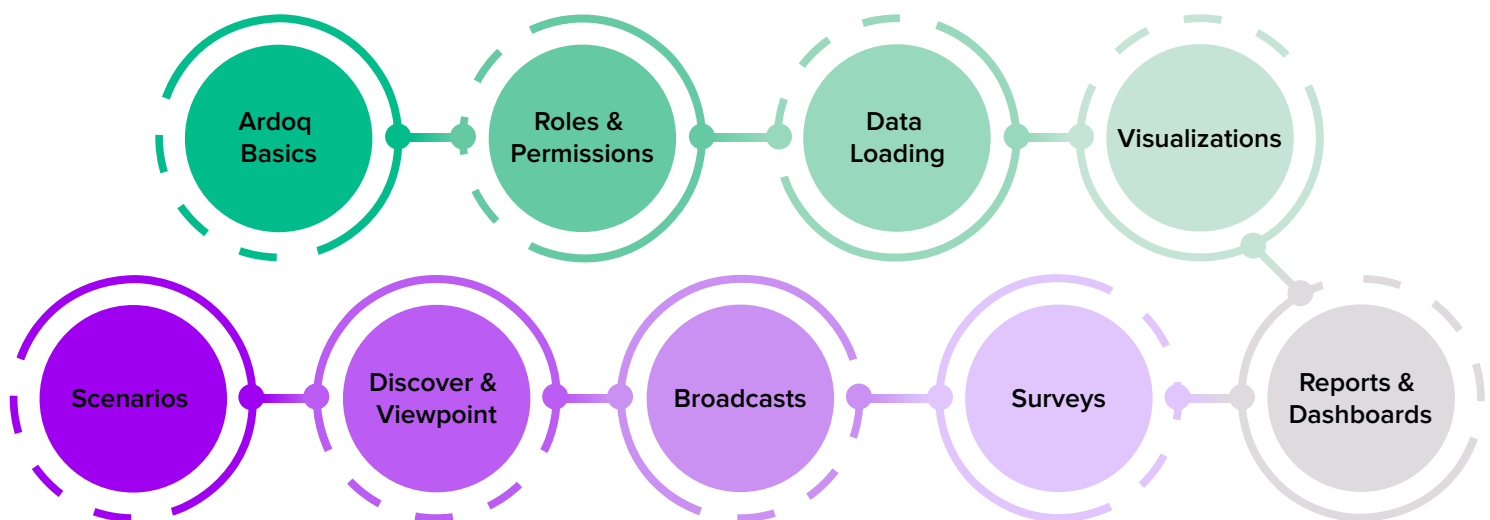

*Provides your team with the essential knowledge and skills they need to become Ardoq administrators and users.*

### What it is

An Ardoq Professional Services consultant will guide you through the Ardoq platform and its features in a series of structured, manageable, interactive workshops. These sessions are designed to build upon the online, self-paced learning modules that are completed previously and leave participants with the knowledge they need to effectively use the platform on a daily basis.

Standard Education covers the following topics:

### What you'll accomplish

- Gain the foundational skills necessary to use the Ardoq platform
- Understand the full breadth of features available to gain the insights necessary for data-driven decisions

### What you'll get

- Ardoq basics roles & permissions workshop
- Data load workshop
- Visualizations workshop
- Reports & Dashboards workshop
- Surveys & Broadcasts workshop
- Discover & Viewpoints workshop
- Scenarios workshop

## More information

- All services are delivered remotely unless otherwise communicated and scheduled. Travel and expenses incurred due to a request by the customer will be invoiced at cost.
- All services assume that the assigned Professional Services consultant(s) is granted access to the Customer's Ardoq instance.
- Customer will ensure that all relevant stakeholders are identified and available to participate in workshops, answer questions and otherwise assist Ardoq Professional Services in the completion of the activities.
- Project documents will be shared with Customer via email or other mutually agreed mechanisms and will be deemed accepted by Customer unless notification is received within forty-eight hours highlighting why acceptance is not given.
- All modules must be completed within twelve months of purchase, otherwise they will expire and any unused activities or deliverables will be forfeited.
